Dear Sir,

This letter is to express my interest in the job posted on your website for a junior-front-end web developer. Having experience of just three months I have accomplished many websites that are fully functional, responsive and also have the flare of database by the MERN technology.

Building user friendly, easy to use and responsive websites is truly a passion of mine. Also being a CSE student I also love to code and [solve problems](#) that I think is very important for any sort of development. This is why I think I would be an excellent addition to your organization. I am confident In addition to my knowledge base, I actively seek out new technologies and stay up-to-date on industry trends and advancements in order to stay ahead of the curve and deliver exceptional work to the organization.

I have a sound knowledge on HTML5, CSS3, JavaScript, ES6, React, Bootstrap, and Material UI. Also I am comfortable with Node.js, Express.js, Mongo DB and Redux. I have completed many responsive and functional [projects](#) by MERN technology and am confident on tools like VSCode, [Github](#), Chrome Developer Tool and many more.

I can be reached anytime via my cell phone, +880177955995 or by email at shadreza100@gmail.com. Also we can communicate on [LinkedIn](#) & also you can see my repositories on [Github](#).

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Your Obidiently,

Shad Reza
